(Monday)

## Holiday Parties

**Pizza and party days will be  
Monday, December 17th &  
Tuesday, December 18th. Check  
for sign up sheets outside the  
classrooms.**

# Christmas

## Gingerbread Houses

In December we will be making Gingerbread Houses.

The Amigos through the Discoverers will enjoy making their houses in the office.

## January Tuition

School resumes Monday, January 7th. Tuition for January will be due by Friday, the 11th. If you would like to mail your tuition the address is at the bottom of your newsletter.

Please see Amber Brooks if you need a 2018 statement for tax purposes.

## Winter Reminders

CDC is closed due to inclement weather if the Edmond Public Schools are closed. Please watch one of the local news stations and Seesaw for the information.

We try to go outside every day weather permitting. Be sure to send **LABELED** coats, hats and gloves each day as the weather gets colder. Please make sure the change of clothes is weather appropriate in your child's backpack.

We do our best to keep the school environment as healthy and germ free as is possible with 100+ children each day. Please review the handbook for our policies regarding sick children. **ALL BABIES & CHILDREN MUST HAVE TENNIS SHOES FOR SCHOOL!** It is a DHS rule!

# Christmas Giving

This year we have chosen to adopt a CDC Family who is having some medical and financial difficulties. Please consider choosing a gift item from the stocking by the bulletin board to donate to the family in need. We have options from toys, to clothes, to gift-cards, and even monetary donations to the scholarship foundation specifically for this family. All gifts are tax deductible. We will be glad to print receipts for you. We ask that you wrap any clothing or toy items after you purchase, but attach the card so we will know which child to give the gift to. Thank you in advance! Our families are the most generous families! Have a very blessed Christmas!

## Christmas Classroom Giving

Many families have expressed interest in giving back to their child's/children's classroom(s) here at Southern Hills. We will have stockings hung outside each room where teachers will place wants/needs for their classroom. Please feel free to take an item from the stocking to purchase for your child's/children's classroom(s). This is a fun way to bring new and exciting toys and learning activities to your child's class.
