**Do Not Enroll at CDC if You Plan To Pursue Enrollment in the Public Schools Pre-K Program.**

**All Enrollment Fees Are Non-Refundable!**

**\*\*Please Remember All Fees, including May 2020 Tuition, are Non-Refundable\*\***

## Is My Child Ready For Public Pre-Kindergarten

CDC offers a pre-Kindergarten experience with age appropriate learning experiences. We follow the National Association for the Education of Young Children (NAEYC) guidelines. Several factors need to be considered when determining if your child is ready for school. Readiness expectations should include all areas: physical, cognitive, social and emotional competence as well as a positive attitude towards learning. If you have any doubts a "gift of another year" is a great option. You should consider not just the child you have now, but also the adult you are raising. There is a great article regarding waiting to start school on the Instagram page: busytoddler titled "Delaying Kindergarten" which we recommend you read to consider before deciding where to place your child next year.

We ask that you do not enroll your child at CDC if you plan to pursue enrollment in the public school pre-K program

### UCO Speech & Hearing Screenings

The University of Central Oklahoma will conduct Speech & Hearing Screenings the fourth week of February, February 25-28. Your child must be in the Explorer' room and older for testing.

- During the week of January 28th teachers will be handing out forms to authorize testing.
- Please make sure to hand in your form as soon as possible to the office.
- Your child will be given a specific day and time to be tested.
- A couple of weeks after testing you will receive your child's results.

*Valentines Parties  
& Pizza Lunch  
Thursday, February 14th  
&  
Friday, February 15th*
