Please Remember
Southern Hills CDC will be closed
Thursday, July 4 in honor of
Independence Day.

The staff will have the classrooms ready for the children at 9:05 each morning. Please do not drop your child off prior to 9:05. Pick up is by 2:35. Late pickup charges are listed in the parent handbook.

WE GET WET AND DIRTY!

The sand and water areas are probably the messiest areas of any preschool playground or classroom yet many times they are the most intriguing. While many parents hesitate to let their child make such a mess at home, at the CDC we recognize all the learning that takes place with this kind of open-ended, creative, soothing play inside and out!

PLEASE DRESS FOR MESSY AND NOT FOR DRESSY!

We'll be up to our elbows in fun!!

Did you remember the sunscreen?

We will play outside every day, weather permitting, and don't want the children to get too much sun.

Please put sunscreen on your child before school each day!

Parent Handbook

Our parent handbook is designed to answer questions you might have as well as make you aware of our policies and procedures. You can view our handbook on our website at www.shcdc.net. Listed below are a few of the highlights:

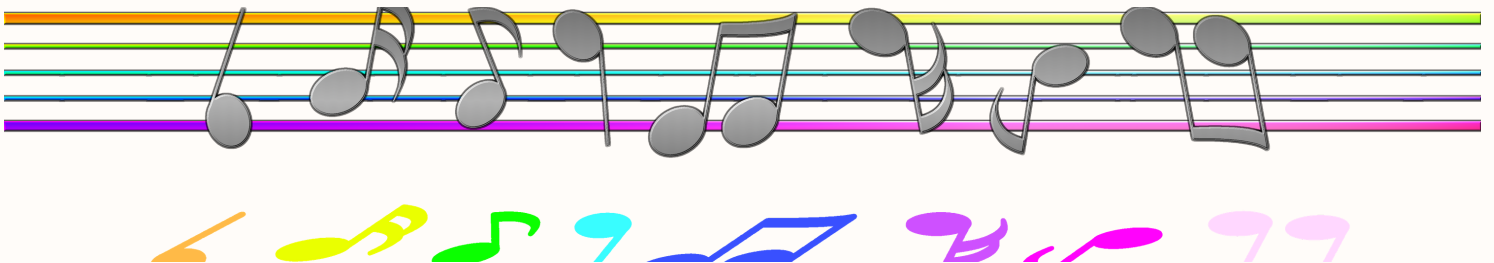

- No child will be admitted to class without proof of current immunizations.
- TWO WEEKS PAID NOTICE IS REQUIRED PRIOR TO WITHDRAWAL FROM THE PROGRAM.
- Your child must be fever free for 24 hours without medications to come to school. This also applies to nausea, vomiting, and diarrhea.
- **Pick up time is 2:35. LATE PICK-UP fees will be assessed.**
- Please send your child in comfortable, easy to manage clothing. We require tennis shoes. **NO flip-flops or crocs please.** Shoes need to be safe for running and climbing.
- Please send nutritious lunches and drinks. We ask that you do not send soda or candy. Our experience shows that most children do not eat "Lunchables" and they end up in the trash.
- If you need to add/change a name who can pick up your child, have a new address or phone number, update immunizations, please stop by the office. Our records need to be as up-to-date as possible.

Summer Fun

We will have the Rolling Thunder Bus come to Camp CDC on Wednesday, July 24 at 1:00.

Loaded with 3,000 books and decked out in Thunder colors, the Rolling Thunder Book Bus, presented by American Fidelity, delivers a one-of-a-kind Thunder experience for kids in central Oklahoma. After boarding the Book Bus, every child selects a free book to take home, helping to inspire a love of reading and a personal connection with the Thunder.

Summer with Music

We are pleased to announce we will be offering music classes for the summer with our new music teacher, Lacie Bowlware. Lacie began playing the viola at the age of sixteen. Her passion for the study of music led her to the University of Oklahoma. Lacie relocated from Boulder, Colorado after completing her master's degree. She has a passion for music pedagogy and maintains an active private studio along with holding a faculty position at the Inspiration Point Fine Arts Colony and performs with the Oklahoma City Philharmonic. Lacie is married to Director of Contemporary Worship, Ben Bowlware. The two share a dog baby and Lacie is a proud mama to Harper. We are thrilled to welcome her to the staff here at Southern Hills.
