

SOUTHERN HILLS CDC

"A Great Place To Grow"

ANOTHER GREAT YEAR

We would like to thank you for sharing your children with us. We love what we do and we hope it shows. It is like Ms. Tami's school family song says, "When we're apart I'll keep you here" (in our hearts). Each year when we type the graduate forms we get choked up thinking we won't see some of our families again (after many years)!

I'd also like to say thank you to everyone for making my first year in the office such a blessed transition. I have enjoyed getting to spend more time with families while still getting lots of hugs and smiles from the kiddos in the hallways! I love my job because you are all amazing!

Again, thank you for sharing your children with us!

Blessings,

Ms. Suzanne and the Staff of Southern Hills CDC
